Hotel the YARD Berlin Kreuzberg

With 55 hotel rooms, the Hotel the YARD is a boutique hotel with a modern, minimalist design and high-quality interior. The rooms radiate a calm and warm ambience through natural colours and materials. On a total of seven floors, you can enjoy the view of the green garden "The Yard". The hotel also offers a small bistro, a wellness area with indoor pool and sauna as well as an underground car park. The high-quality garden is a convincing, light-flooded work of art.

Hotel the YARD Bad Honnef

Quietly located by the spa gardens, 500 m from the town centre and only a 10-minute walk from the idyllic Rhine promenade of the lower Middle Rhine, on the edge of the Siebengebirge: Hotel the YARD Bad Honnef has 101 comfortable rooms, divided into four categories. In addition to the beautiful landscape, Bad Honnef invites you to many cultural excursions. Alexander von Humboldt already called the picturesque Bad Honnef the "Rhenish Nice" because of its climatic conditions.

Hotels in Austria

In Austria, the RIMC Hotels & Resorts Group is currently represented with three hotels - further acquisitions are planned.

 RIMC HOTELS

1
ADMONT

2
GRAZ

3
VIENNA

Hotel Spirodom Admont

Embedded in a moving natural backdrop, the 4* Hotel Spirodom with its 67 cosy rooms is situated in the middle of the Gesäuse National Park region, where the wildly rugged high mountains with their bizarre ridges rise above the valley floor of the raging Enns. At the same time, it is only a stone's throw away from one of the great total works of art of the European late Baroque, the Abbey Library of the Benedictine Abbey of Admont.

Hotels in Switzerland

In mountainous Switzerland, the RIMC Hotels & Group now has two hotels. Further projects are planned for the coming years.

Modern Times Hotel Vevey

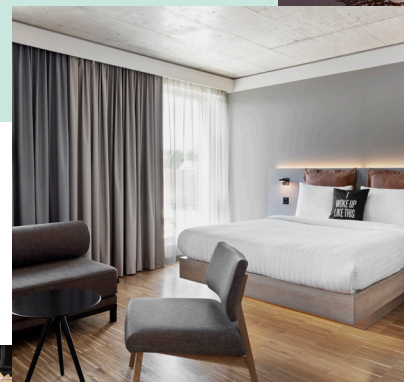

This 4* hotel is entirely dedicated to the world of Charlie Chaplin. It has 136 rooms, a restaurant with open grill, a summer terrace surrounded by a biotope, a bar, a conference centre, a fitness room, a boutique, a car park and underground parking. It is the ideal place for conferences and meetings in western Switzerland between Geneva and Bern, for a stopover in transit or for weekends and holidays on Lake Geneva.

Planned projects

The hotel industry is a steadily growing sector in which new trends are continuously developing alongside classic offers. The dynamics and development potential of the market represent a daily challenge that requires vigilance, changeability and future-oriented thinking. Each hotel requires an individual conception in order to be able to respond comprehensively to the different characteristics of the product and the market. With this in mind, the hotel operating company is constantly developing.
